

We will not be able to process your Entry Form unless it is filled out **completely** and **signed**. We need to know whether or not your piece is for sale. If it is, put an "X" in the box and add a price. We need to know the overall size of your entry. You are an artist...be creative and "title" your piece, then give a brief description of what the piece is. **Then, sign and date the back.** If you have difficulty in determining what Group and Class your piece should go in, contact our Rules and Classification Chairman, Board member Bob Mau at 630.556.4253 or e-mail basswood@aol.com .
